MARCALI LOCAL TOWN SPA AND LEISURE CENTRE

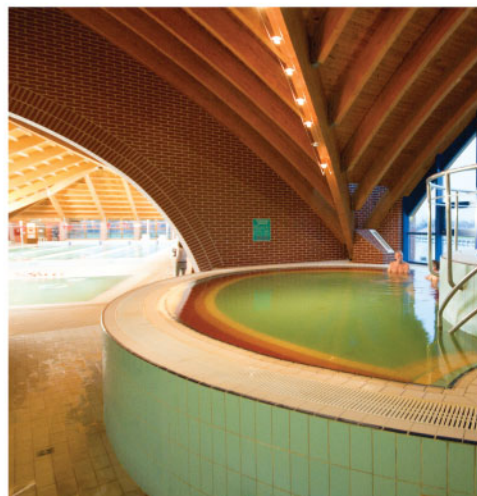

FROM THE BEGGINING UNTIL NOWADAYS

The outdoor spa, opened in 2003, is located on the northern part of the town in an 8 hectares park which provides excellent swimming, leisure and sport opportunities for everyone. Thanks to the indoor spa and training pool we are able to welcome guests all year. The town also enjoys a favourable location of Lake Balaton and the Hévíz-Balaton Airport in Sármellék.

MEDICINAL TREASURE

Since 1989, the spa possesses certified medical water which is sulphurous hydrogen carbonated and chloride specific. This medical water is recommended for gynaecological diseases, rheumatic knee, hip and spine joint gout as well as nervous system problems. Thermal pools are available outdoor as well as indoor.

MEDICAL SPA

In the summer you can enjoy the benefits of the outdoor spa in a relaxing environment while our indoor spa is at your service all year. For physically disabled guests we have special portable pool chair lift so they can use the outdoor and indoor pools as well.

OUTDOOR SPA

You can enjoy the pleasant park area full of flowers and ornamental plants, the seasonal open air swimming pools, thermal and spa water pools, sports-grounds and a playground. Those who like swimming can use the 50 m long competition pool, while families with children can enjoy not only the shallow water splash pool for children but the playground with a large sandbox and also 18 different play components as well.
